INSTRUCTIONS: Please circle the answers that come closest to your everyday experience. Notice that each choice includes a percentage. You can use this to help you decide on your answer. For example, if a statement is true about 75% of the time, circle "C" for that item. If you have not experienced the situation we describe, try to think of a similar situation that you have been in and respond for that situation. If you have no idea, leave that item blank.

- A Always (99%)
- B Almost Always (87%)
- C Generally (75%)
- D Half-the-time (50%)
- E Occasionally (25%)
- F Seldom (12%)
- **G** Never (1%)
